

CLIMAVER® Tools

CLIMAVER® SDM tools and replacements

CLIMAVER® MM & MTR

- Toolbox with MM and MTR tools for cutting CLIMAVER® panels
- Also includes 3 cut-to-fit spaces to store the stapler, the staples and replacement blades

Tool applications

CLIMAVER® MM (black)

- MM tools to cut half-lap joints
- Specially designed to be used with the CLIMAVER® MM Angel Guide

Tool applications

CLIMAVER® MTR (green)

- MTR tools to make 22.5 ° and 90 ° cuts, on a straight duct to obtain the figures for the Straight Duct Method (SDM) based on the SDM marks

CLIMAVER® MM

- Toolbox with a set of three MM tools for cutting CLIMAVER® panels

Tool applications

CLIMAVER® MM (black)

- MM tools to cut half-lap joints and trim edges
- Specially designed to be used with the CLIMAVER® MM Angel Guide

CLIMAVER® APTA

- Toolbox with APTA and MTR tools to cut 40 mm CLIMAVER® APTA panels
- Adaptable to 25 and 50 mm thickness

Tool applications

CLIMAVER® MTR (green)

- MTR tools to obtain figures prepared for CLIMAVER® panels, 25 and 50 mm thickness
- Tools make 22.5 ° and 90 ° cuts, on a straight duct to obtain the figures for the Straight Duct Method (SDM) based on the SDM marks

CLIMAVER® SDM tools and replacements

Replacement CLIMAVER® Blades

- Set of 20 replacement blades for CLIMAVER® MM and MTR tools
- Blade replacement for the five CLIMAVER® tool holders

Presentation

- Cardboard box containing 20 plastic boxes, each containing 20 blades

CLIMAVER® Cutters

- Cutter with sheath for auxiliary cutting operations
- Support accessory for use during duct assembly

Presentation

- Cardboard box containing 15 cutters with sheaths

CLIMAVER® Spatulas

- Semi-flexible plastic spatulas
- Used to smooth CLIMAVER® tape reinforcing adhesion to the ducts

Presentation

- Cardboard box containing 18 units

CLIMAVER® Staples

- 14 mm staples for use in the CLIMAVER® Stapler
- Stapling the overlaps and joints on CLIMAVER® ducts

Presentation

- Cartridge of 5,000 14 mm staples

CLIMAVER® MM Angle Guide

- Aluminum Angle Guide with the most common used angles pre-defined (90 °, 22.5 ° and 45 °)
- Simplifies duct measuring and cutting operations
- Preparing CLIMAVER® ducts used in junction with the CLIMAVER® MM tools, allows ducts to be prepared directly without the need to add or subtract for each measurement

Presentation

- Unit comes packed in a cardboard tube with handle for easy carrying

CLIMAVER® Stapler

- Staple gun for assembling CLIMAVER® ducts in accordance with the SDM Stapling CLIMAVER® ducts.

Presentation

- Box containing CLIMAVER® Stapler

CLIMAVER® Marker holder

- Mechanical holder for CLIMAVER® markers

Presentation

- 1 box containing 10 marker holders

CLIMAVER® Marker

- Used to mark out neto fabric

Presentation

- 1 box containing 20 markers
